

## **Meeting Minutes for Wednesday, September 27, 2006**

The meeting began at around 9:10 with an icebreaker, each member wrote a question down on paper and swapped it with others.

A member from Waterwatch (?) for the Raritan Bay then asked if anyone was interested in getting involved with the Raritan Bay clean up that they should speak to her.

Nick and Steve then spoke on what was important to bring on overnight camping trips and the differences in packing for backpacking and on-site camping (with car). Basically for backpacking take only the essentials while on-site camping you can take with you whatever you want.

Hilary announced that the Battles and Paddles trip was this coming weekend and there were still available slots. The cost was \$35 at sign-ups and an additional \$36 dollars when you get there for paintballs.

Melissa then said sign-ups were still open for Sedge Island that was the same weekend as the Battle/Paddles trip and there were also sign-ups continuing for the West Virginia trip.

The meeting concluded at around 10:30 with members dispersing for sign-ups
