

Rutgers University Outdoors Club Inventory: February 2003

Key:

Item	# (Count)	Year (Acquired/*=Estimate)	Condition/Value **
			N=New (No noticeable wear)
			E=Excellent (Very minimal wear)
			G=Good (Wear, no damage)
			F=Fair (Wear, min. damage)
			P=Poor (Significant wear/ Damage, barely still usable)
			T=Trash (Maybe still good for parts)
			(Add. Comments may be added here if needed)

** - It should be noted that all values given are not retail values nor are they estimated replacement costs. The price given for each item is an estimate average fair market value for the item if it were to be bought or sold by our club in its present condition.
